		FREE, Live Webinar!
<h2>Clean Laboratory Techniques</h2>		
When: Thursday, November 18, 2010 Time: 2:00 p.m. ET		
		
<p>There are many sources that can contaminate the results of your analytical samples and standards.</p> <p>After viewing this informational webinar, you'll learn different tips and techniques to help reduce the contamination of trace impurities in your solutions. We will also recommend some products that will help keep your lab clean. The presentation will be followed by a question and answer period.</p> <p>Join SPEX CertiPrep on November 18th for this very informative event. But register today, because space is limited!</p> <p>Click here to register now!</p> <p>There will be a drawing at the end of the event and one lucky attendee will win a FREE gift!</p>
